Dear Shani,

Thank you for your interest in Petit Moses' services.

As per our conversation, I am sending you an example of the type of voucher we could create for you.

For Nis 200, your voucher will include:

- 1 Digital Design of a personalized voucher (as attached)-1.5 hour photo session in the place of the voucher holder's choice (home, park...)
- 2 beautifully retouched digital photos of their choice (they will get the full resolution files to print as big as they want on any support.)
- 1 link with all their pictures (100-200) in low resolution to upload to flicker, Facebook or simply to their phones.
- 10 percents discount lifetime on all Petit Moses's services.

This is an AMAZING offer as this package normally would cost for corporate Nis 450.

I am willing to grow the corporate side of my business and develop a relationship with Xact and all its events. (Business portraits, PR and presentations, Yom kefs, parties etc).

The transport to and from The Baby's parents home or photo shoot location is not included and will be added as a bab fare to the Nis 200.

I am looking forward to hearing from you soon and I can guarantee you an amazing result your employee will be so pleased and surprised with! (who needs an other blanket, nappy cake or Fox little pyjamas ☺??)

Best regards,

Karin Charbit
